Yearbook - looking for people to shadow for next year.

- In final stages for this year

Family Fun Night

- Went well!
- Seating assignments were great.
- New sound system was great

End of Year Picnic

- All is going well for the 7th. We have the dj and photoshoot booked, and are just finalizing for Super Fun Inflatables, and Taylor Rental. Next steps are the set up the sign up process (which we will talk about soon) and get the link to the volunteers.

We are also contacting a magician and figuring out what's possible with ice donation. We are getting some additional grills (of which we will start up earlier) to cut the food line down. We will not be getting the pulled pork but are looking for something else to add to the menu. Mike R is going through the food list and finding the best pricing around. We are getting building forms, police, EMT, and CERT organized. As of now, the 7th is a full day so we will need lots of help setting up as soon as we are allowed to start. Lots more going on too... it's going to be a great event!

Mother/Daughter Update - May 4th 12pm

- Downtown Cabaret for Snow White
- Info coming soon - flyer being worked on
- Chairperson is trying to negotiate for more tickets for us.

New Business

- Goodwill - in April if you drop off stuff and say you are from Fawn Hollow, we can win money and a possible concert!
- Apparel Sale has been extended!
