

The Season of Giving

During the Holiday Season, it's time to remember our less fortunate neighbors in Monroe. Fawn Hollow is participating again in the Town of Monroe Season of Giving Program. Every gift purchased is given to a person in Monroe who needs some extra assistance.

Fawn Hollow will have two trees with Season of Giving tags starting on Thursday, November 21st. One tree will be in the lobby and the other will be near the gym where afternoon pickup is held. If you are interested, please select a tag for the gift that you will purchase. Please note that only adults should remove gift tags from the Season of Giving trees and there is no sign-out sheet.

Please deliver your wrapped and tagged gift back under one of the trees no later than Thursday, December 12th.

Last year the Season of Giving was a tremendous success due to the generosity of Fawn Hollow families. We ask you to open your hearts again to those less fortunate at this special time of year.

For further information, please contact Kate Goyette at 203-261-3777.

Thank you!
